

"Life's brighter when you Snog"

Make your winter wonderful with a Snog, the delicious frozen yogurt treat that doesn't break any of your New Year's resolutions.

So low calorie

Snog is the perfect guilt-free treat. Natural and Green Tea have 72 calories per 100g serving. Chocolate has 79 calories per 100g serving.

Super healthy

Snog is the healthiest frozen yogurt around. We only use fresh non-fat organic yogurt with probiotics and organic skimmed milk.

Sugar free zone

Snog is naturally sweetened with Agave nectar making it low GI. If you're trying to cut out sugar, a Snog will satisfy your sweet cravings in an instant.

Fruity vitamins

Add our delicious fruit toppings and you can tick off part of your 5 a day too. This winter look out for scrumptious seasonal toppings, how about hot berry compote or pear & cinnamon?

Get snug with a Snog

Our shops are the perfect antidote to the British winter, the bright, warm and cheery interiors will make you smile whatever the weather's up to.
